
Pet Registration Form

The Rules and Regulations of North Myrtle Beach Golf & Tennis clearly state only Homeowners may have pets. Visitors and Renters are not permitted to bring pets on the grounds. In order to try to identify pets that are permitted on the grounds, and per the Rules and Regulations, all Homeowners must register their pets with the Management Company as well as provide vaccination records.

Each homeowner is responsible for what happens within their own unit and if a renter comes in with a pet, you are responsible to enforce the no pet rule and will be responsible for any fines imposed.

Further, all dog owners must clean up after their pet immediately. Dog feces has become a big problem within the community. The registration form will also help us to identify dog owners that may be ignoring the poop scoop regulations.
